

For All we know

D C Bm⁷ A⁷ Dm C D F =

entropy:

endless symmetry

wider than a hemisphere
atmospheric

limiter

across the sky

she pushes through ^a the galaxy
beyond the stars ~~that~~ reality
into silence ~~and~~ solitude
out in interstellar space
product of the human mind
drifting toward another kind

know the world or
endless gaze
here

for all we know a vessel approaches home
how will ~~that~~ we know - we are not alone

many years ago she left & wandering,
